Participant Feedback:

“Great session. Lots of info and helpful tips.”

“I have attended many of these sessions so far! I have been able to use what I have learned at home.... Also, as a health care professional in my career, helping and using the strategies that I have learned to support the families and children that I work with.”

“Lunch hour worked well for me.”

Evening Education Sessions

December 2022

These free sessions are intended to provide parents, caregivers, and community members with information regarding addiction and mental health challenges that can affect children and youth.

Understanding Autism

In this introduction to Autism Spectrum Disorder (ASD), participants will learn how ASD affects the way children and adolescents interpret and interact with the rest of the world and the people in it. Once we understand the core characteristics of ASD, we will then discuss strategies to support our child's wellness.

Date: Wednesday, December 14, 2022

Time: 6:00 – 7:30 pm

For parents and caregivers of children and youth grades K-9; for adults only.
